

## Parental Consent Form

We want to make sure that your child is safe and happy while studying in the UK. To help us, we ask you (the parent or legal guardian) to complete this form before your son/daughter travels to centre. Please note that Anglo summer programmes are designed for 10-18 year old **school students**, and that 18 year olds must understand and agree to being on a junior course. This means following UK laws that apply to under 18s.

Students will not be able to start their course until this form is received by our Head Office team.

### Data protection

We promise to keep this information secure and will only give it to people who are directly involved in caring for your child on a need to know basis during the time when they are enrolled at Anglo, this may include healthcare and welfare professionals.
